Creating Differentiated Assessments

Middle/High School

#IgniteNTW

Use the space below to record any notes or resources you come across during your discussion.

Notes/Resources:

Resource: www.visiblethinkingpz.org

“Students At The Center” - Bena Kallick / Allison Zmuda - Personalized Learning with Habits of Mind: *Breaks down the terms personalized learning, individualized learning, and differentiated learning*

NearPod: Website for getting formative feedback from students or formatively assessing students on information/content.

- *Teacher page will show student name and student response with SHARE feature.*
- *SHARING student responses allows all students to see the response w/o Ss name*
- *MC option: Teacher sees % of each response in pie chart format.*
- *Collaboration Feature: Can post ideas or images*
 - *Students see other posts with option for “loving” tag*
 - *W/o student names attached*
 - *Allows for follow-up discussion in small groups*

There is a difference between differentiation and modifications/accommodations
